 - STEM School shooting, Highlands Ranch. Extra security, and in general, there should be no one on campus unless they are there for official business during the school day. It is the seniors last week.
 - Track Project Update--the field will be replaced at the same time due to funding from 3A/3B Passing. There is \$176,000 in funds that have been raised that the GHS Alumni Foundation is holding in their bank account. There is an easement on the property that is currently in negotiations. The project will be postponed until next Spring.
 - GHS Parking--a neighbor was handing out flyers in protest of the new parking for a development near GHS. The City of Golden and Jefferson County Housing Authority are working together for new parking and 13 spots will be in the GHS lot. However, in return for those spots lost, the school will be compensated and the Housing Authority will restripe the lot adding 60 additional parking spots.
 - Additional information can be obtained by contacting the City of Golden--Steve Glick.
 - Seniors and juniors will have first choice on parking passes, then sophomores if there are still available spots.
 - Current enrollment is at 1427 for 2019-2020. Next year GHS will continue as a 4A. but may go to 5A in two years.
 - Hiring 3 new positions--conducting interviews.
- Treasurer’s Report – Kay Markovich**

Current financial statements on Google Drive

 - \$17,296--bills left to pay, should have between \$10,000 and \$15,000 left at the end of the school year.
 - After Prom had a surplus--should break even. There was approx. \$1500 in parent donations on the PayPal account, so may not need to fund the \$2500 grant that was requested.
 - We will be in a good financial position to start the next school year.
 - Brian Conroy suggested getting in touch with the Jeffco PTA Alliance to ask for PTA Membership to be an optional fee on registration for all schools. The Board of Education would need to approve it.
